BASE Lucknow, India — Available worldwide

PROFILE

01

CGI, VFX and 3D artist and creative director building cinematic images end-to-end — **CG environments, look-development, compositing, editorial and grade** — across concept films, commercials and music videos. Creative lead at **Zenvy Studios Pvt. Ltd.**, with a **150K+ audience** built since 2019 through the SIXTYNINE creative brand. I don't just want to make things look good — I want them to leave a mark.

EXPERIENCE

02

Zenvy Studios Pvt. Ltd. · Bhubaneswar, Odisha

2025 — Present

CREATIVE DIRECTOR · VFX & CGI HEAD

- Lead CG, VFX, compositing, editorial and colour across commercials, music videos and concept films — from concept and look-development through final master.
- Own end-to-end delivery: direction & previs, 3D and look-dev (Blender · UE5 · Substance), compositing and grade (After Effects · Resolve).

SIXTYNINE — Independent Creative

2019 — Present

FOUNDER · DIGITAL ARTIST

- Personal creative brand; built a 150K+ community through original concept films and craft experiments in visual storytelling.
